Important and new information

- * NEW * There are **three locations** at end of parade for disembarkation of your group. This is to alleviate the unsafe crowding when everyone must go to the East Greenville Firehouse. Some groups will still go to the firehouse. Some will disembark on Main St and some will disembark in 4-5 grade center rear parking lot. You will be informed ahead of time where your group is to disembark. See picture at end of this form.
- * NEW * Candy **cannot be thrown** to spectators from floats/vehicles as in past. Those passing out candy must walk on along side of road and pass out. This is requested by Borough's and aligned with other parades.
- * Horses or any other farm animals are not allowed. We encourage you enter in the Christmas Parade.
- * Current elected officials, those running for office, and political organizations are welcome in the parade, *but no campaign signage or handouts may be distributed. Example "Vote for...." Not allowed.*
- * Norms Bus service will transport participants from East Greenville firehouse to Red Hill firehouse between 4:45PM and 5:40PM only. Please drop off as many of your group at the parade start prior to dropping off your vehicle at the end of the parade. This will help ensure there's room for everyone on the bus. The last run time is only an approximation and seats are on a first come basis, so plan accordingly! *Norm's bus service donates their time to do this. Please be courteous and thank them!*
